

REVISED HWK6

There are some problems with numbering scheme in the Lecture Notes on Chapter 6. SO, I need to revise HWK6 with correct numbering.

NEW DUE DATE : DECEMBER 1.

DUE DATE FOR MATLAB ASSIGNMENT 2 REMAINS SAME.

A SPECIAL NOTE ON PROBLEM M5.5 : If it is too time-consuming to do with large matrices ranging from 10 to 1000, then do the problem with matrices of various orders upto 200 starting with 10 with an increment of 10. *If you have already done this problem, you do not need to do anything.*

NOTE : IF YOU HAVE ALREADY DONE SOME PROBLEMS FROM HWK6 WHICH ARE NOT INCLUDED IN THIS REVISED ASSIGNMENT, YOU WILL GET EXTRA CREDIT FOR THOSE PROBLEMS.

NEW PROBLEMS ARE :

FROM THE LECTURE NOTES on CHAPTER 6:

6.16 (all parts); 6.17; 6.18(a) and (b); 6.26(a),(b) and (c); and 6.34(a),(c) and (f).
