Your instructor may use the plus/minus grading system.
MAKEUPS

The official course policy is that there are no makeup quizzes. Your instructor may modify THIS policy.

Make-up exams will be given ONLY for an excused absence, a documented illness or serious emergency. It is YOUR responsibility to contact your instructor before the scheduled date of the exam for an excused absence. Documentation may be requested by your instructor. If there is a documented illness or serious emergency, inform your instructor via email within 48 hours. Speak with your instructor in their office the next day to talk about the absence and arrange a time to take the makeup exam. No one is entitled to a makeup exam.

EXPECTATIONS

It is impossible to overemphasize the importance of your active participation in this class. Every student is expected to:

1. Be present and on time for every class meeting. Attendance will be taken every day.
2. Check your NIU e-mail regularly for important announcements throughout the semester.
3. Notify the instructor of any absence, preferably in advance, ESPECIALLY, for a Friday.
4. Read the text.
5. Review the previous lesson and do the MyMathLab homework assignments after each class. (Expect to spend at least 2 hours daily on math.) The assignments are due midnights on Tuesdays and Thursdays.
6. Check your syllabus and preview the new material before coming to class. This will help you to better understand the lecture.
7. Bring your calculator to class every day.
8. Ask questions in class or after class of the instructor.
9. Get help when you need it—not just before an exam. Here are your primary sources for help:

   Instructor          SI Leader          Other Students
   ACCESS tutors and help sessions    Tutoring Centers (Grant South, New Residence Hall, Library)
10. Log in to Blackboard (Bb) regularly.

Mutual respect means being on time for class and not leaving early, being prepared to give full attention to class work, not reading newspapers or other material in class, not using cell phones or pagers during class time, and not looking at another student’s work during exams or quizzes. Academic misconduct, as defined by the Student Code of Conduct, will not be treated lightly.

- Talking or other communication between students is not permitted during exams.
NOTICE FOR STUDENTS WITH DISABILITIES

NIU abides by Section 504 of the Rehabilitation Act of 1973 which mandates reasonable accommodations be provided for qualified students with disabilities. If you have a disability and may require some type of instructional and/or examination accommodation, please contact your instructor early in the semester so that we can provide or facilitate in providing accommodations you may need.

If you have not already done so, you will need to register with the Disability Resource Center (DRC), the designated office on campus to provide services and administer exams with accommodations for students with disabilities. The DRC office is located on the 4th floor of the University Health Services building (815 753-1303). Your instructor is looking forward to talking with you soon to learn how s/he may be helpful in enhancing your academic success in this course.
